Would you like to know the study skills secrets to success in high school?

YEAR 7 PARENT/STUDENT 'STUDY SKILLS' EVENING

Thursday 15 March 2018, 7.00-8.40pm
St Patrick's College Gymnasium

(Note: please arrive 5-10 min prior to collect the family handout.)

Parent/Guardian(s) and students should **attend together** as the session is very interactive, the session will not be of full value unless both the students and a parent attend.

Both students and parents also need to **bring along a pen** (and one highlighter for the family) and the school diary.

The main areas that will be covered are:

- Managing homework and assignments effectively by efficient time management.
- Learning to be more organised for school and at home.
- Working and studying effectively in high school.

An interactive evening for parents and students outlines tools and techniques for students to achieve their personal academic best.
