

How to install the College certificate

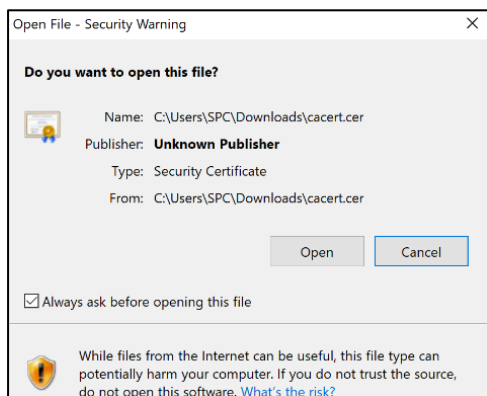

1. [Click here to download the Windows certificate installation zip file](#)
2. Once downloaded, open the zip file "**SPC-Certificate-Win.zip**".

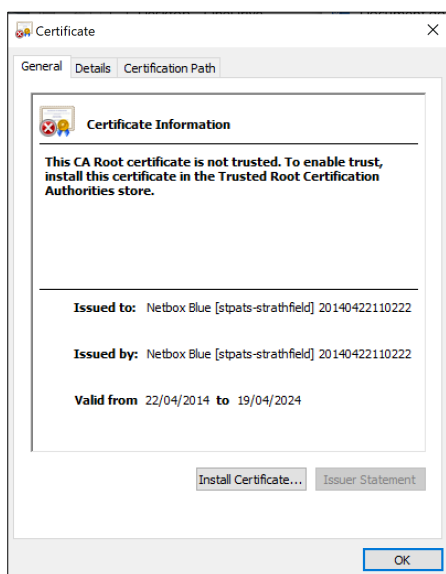

3. Open the file "cacert.cer".

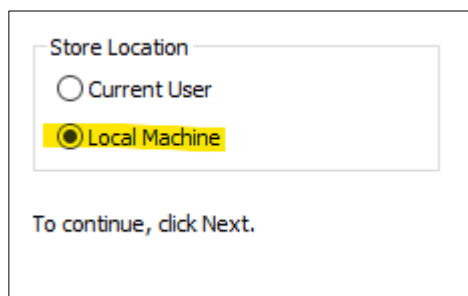

4. A pop up message will appear, select "**Open**".

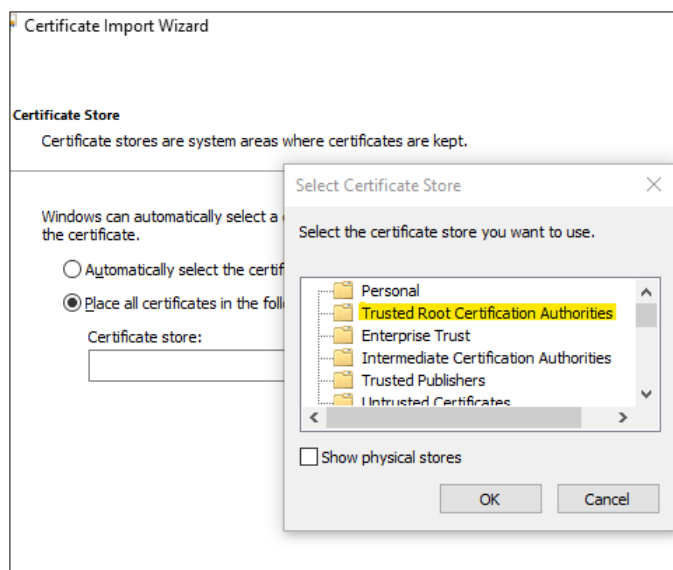

5. Then click "**Install Certificate...**"

6. At the next screen choose "**Local Machine**" and click "**Next**".

7. On the following screen, select the option "**Place all certificates in the following store**", click "**Browse**" and select "**Trusted Root Certification Authorities**". Click "**OK**" and "**Next**".

8. Click on "**Finish**" and "**OK**"
9. Your computer is now ready to join SPC Wi-Fi. You will need to enter your College username and password when you get to school.
